

School Sisters of St. Francis Archives Services

Services

The Archives welcomes all visitors to come and enjoy our historic collection in person. There is no fee for scheduling a research appointment, viewing records during an appointment, donating materials to the Archives, or having a consultation with the Archivist.

If you wish to have the research conducted by Archives staff, the first hour is free. For a larger request or if you are interested in digital images or photocopies of materials in the Archives, the following fees are associated with those services to help defray the cost of maintaining the equipment, supplies and resources needed to support those types of requests.
